

Volunteer Duty	Description
Age Chaperone (U6 – U12)	Manage athlete behaviour during competition, including marshalling, transferring to other events within arena and at event sites.
Canteen	Assisting Canteen Manager including set up of canteen, food preparation and service during competition days.
Marshalling	Managing athletes as they are called for events by checking off names, grouping into their event order and confirming the correct uniform is being worn.
Track (Long and Short)	Timing track races with either hand watches or assisting with timing gate operation. Organising athletes into lanes and finishing athletes into recording tent. Recording results on results sheet. Recording results.
Jumps	Duties determined by throw site Referee. May be recording results, measuring jumps, raking jump pits, spiking jump landing mark and in the case of high jump, raising the bar and keeping a tidy site. Includes long jump, triple jump and high jump.
Throws	Duties determined by jump site Referee. May be recording results, measuring throws, retrieving throw implements, pulling tape and keeping a tidy site. Includes discus, javelin, shot put, turbo javelin and vortex.
Set Up Crew (required weekly)	Involves setting up all sites and equipment required for competition days under the direction of the Set-up Coordinator, commencing at 7:00am sharp (4:00pm for twilight meets). Set-up volunteers will be required to assist until competition commences (usually 8:00am, however from time-to-time this may run over slightly). As this duty takes approximately 1 hour of volunteer time, weekly attendance is required.
Coach (required weekly)	Taking groups of athletes of a particular age through each event discipline as prescribed by the Head Coach, using age-appropriate training techniques. *Note this may only be used as a Volunteer position if the role is unpaid and not duty in kind for Coaching Accreditation Courses attended.
Announcing	Manage efficient rotation of events on competition day by calling age groups to marshalling.
